Walk-a-thon "Walk for the children who can't" (WAT) 2014 - Information

Objective of the WAT

WAT is an annual fundraising event we have run since 2003. All proceeds from this fundraising event are allocated to the Corrective Surgery Program.

Every step we take on this walk and every dollar we raise, will help a child in Vietnam to discover the possibilities of walking, moving about on their own, and overcoming the disabilities most of them have known since birth.

This program aims to provide 100 surgery cases annually at the cost of \$300/case.

Date: Saturday 05 April 2014

Time: 9:00am-4pm

Venue: Studley Park, Fairfield (to be confirmed)

Cost: Free to join. Participants receive FREE T-shirt, water bottle, prizes to be won, BBQ lunch, giveaways and a certificate. (100% of the money participants raise or donate goes towards the H4H Corrective Surgery Project)

Program: 9:00am-10:00am Registration, introduction & warm-up
10:00am-12:30pm Walking (approx 10kms full circuit).
1:00pm-4:00pm Awards presentation, Entertainment and Lunch

Registration form can be downloaded from www.handsforhope.org.au (from 15th Feb 2014) OR

About Us

Our Vision

Our vision is of a Vietnam where all children have adequate access to resources which allow them to lead a healthy and productive life.

Our Mission

We strive to provide disadvantaged children in Vietnam access to Education and Health initiatives which empower them to be self-sufficient and realise their full potential.

Our Organization

Hands For Hope ("H4H") is a charitable, voluntary, non-profit, non-political and non-religious organisation established in Melbourne, Australia.

Our aim is to provide direct support to disadvantaged children in Vietnam through two key programs: Education Traineeship and Medical Corrective Surgeries.

The H4H board and members are volunteers and our projects are directly managed by those dedicated volunteers. H4H relies on the generous public donations and proceeds from our fundraising events to continue carrying out our programs.

The organisation was inaugurated in August 2000 and was incorporated on the 23rd of March 2001 as Hands For Hope Inc. (Góp Một Bàn Tay) under the *Association Act 1981 (Cth)*.

For more information please visit our website or Facebook page.

In pain but still smiling after the surgery

Corrective Surgery Program

What is the Aim of the Corrective Surgery Program?

To assist poor children in remote parts of Vietnam, who are living with physical disabilities which take away their self-reliance and prevent them from being able to fully participate in the community around them. The program coordinates and funds the necessary surgery and rehabilitation required to correct or alleviate their disabilities.

What has the Corrective Surgery Program achieved to date?

Provided over 1,340 free corrective surgeries.

Who runs this program?

Hands For Hope's Australian and local volunteers in Vietnam, such as unpaid social workers, teachers, monks, nuns, priests and volunteers across the country.

How much does it cost to sponsor a child?

\$25/month

What % of my pledge goes to the program?

100%. You will receive the profile of the child.
